Each cat must have access to a scratching facility. Cambria Farm Cattery will provide a solid log for scratching or the owner can provide a scratching post that will be used solely for their cat and returned to the owner at the end of the cat's stay. I have read this form and agree to all the conditions outlined overleaf. Payment of the boarding charges will confirm this booking. My signature also gives my authority for the Cattery to contact the above named Vet for any information as required.
